

MEILLEUR

PRINT

***At meilleur we strive to do our best to
give you the very best possible..***

Meilleurprint is a dynamic young, Kenyan based print, graphic design and branding company dedicated to providing topnotch quality services to our clients at an affordable price.

Since its inception Meilleur has been ensuring the highest standards of service, we insist on professionalism in every area of operation. In every engagement, we seek to find the best method to meet client's specific requirements efficiently and effectively.

Our quality management processes provides a more comprehensive support, control and professionalism throughout the conception ,creation, production and distribution in order to ensure every project creates a unique lasting impression.

Our system of creative processes follow the same path from idea, through origination and design to implementation, whether it is complex or simple, our approach is based on one simple rule: great design equals great communication.

***We will research, design and implement
your brand identity every step of the
way.***

VISION

To provide quality services to our clients, forming strong partnerships to achieve cost effective and excellent results in every project whilst striving to be one of the front runners in the graphic design and print media industry of Kenya.

MISSION

We are committed to business development through visible skills transfer. We pro-actively interact and form strategic partnerships to achieve cost effective and excellent results in every project whilst upping the industry to a new level.

“

*your brand is literally what people say
about your business in your absence...*

Jeff Bezos
